

General Manager

The Jurupa Community Services District serves citizens in the cities of Eastvale and Jurupa Valley, CA and is responsible for providing water, wastewater, sewer, street lights, and graffiti abatement services for over 101,000 people. The District is now seeking a General Manager to oversee a full-time staff of 128, a part-time staff of 12, and a budget of \$49.8 million. The Jurupa Community Services District is seeking a candidate of strong leadership, integrity, and vision to provide direction and mentorship for the staff of the District. A flexible and approachable individual who embraces an open-door policy would do well in this position. Candidates for this position should be comfortable with public visibility and involvement and enthusiastic about creating close regional partnerships. A candidate with a broad business and municipal finance background would do well in this position, as would someone versed in water and wastewater issues and operations. Candidates for this position must possess a bachelor's degree. The salary for the General Manager is open and dependent upon qualifications.
