Meet Jasmine

Hi, everyone! My name is Jasmine Marie and I'm the newest staff member at The Desi House. It has been a pleasure so far working alongside JCSD in order to provide a fun environment for everyone to enjoy. I just recently graduated with my bachelor's in criminal justice and a minor in psychology. I am passionate about helping others in all the ways that I can so that I can make the world a safer and better place. During my free time, I enjoy taking trips to Disney with my family, reading and writing poetry, working out in the gym, training for the police academy, and more! I look forward to meeting all of you in the future and I hope that you come say "hi" if you ever see me around.
