Jurupa Community Services District Elects New Officers for 2022

Jurupa Valley, CA (December 21, 2021) – At its December 13 meeting, Ken J. McLaughlin was named President of the Jurupa Community Service District (JCSD) Board of Directors.

President McLaughlin, who recently served as Vice President, was first appointed to the JCSD Board in 2000 and is currently the longest-serving Director on the Board. He represents Division 1, which includes the northern area of the JCSD service territory within the City of Jurupa Valley. President McLaughlin is a strong proponent of diversifying JCSD’s water portfolio and increasing water supply reliability.

“I look forward to leading JCSD as we face challenges such as drought conditions while maintaining our tradition of providing quality services to our customers,” said President McLaughlin. “It is an honor to serve as President and represent the interests of our community while fulfilling JCSD’s mission of delivering high-quality services to our community.”

In addition, Jane Anderson was selected to serve as Vice President of the Board of Directors. Vice President Anderson was first elected to the Board in 2007. She represents Division 5, which includes areas within the City of Eastvale south of Bellegrave Ave and west of Hamner Ave. As a strong advocate for her constituents, she is a vocal supporter of water conservation and JCSD’s award-winning parks and recreation program.
