Parcels of Developed Property shall further be categorized as Residential Property or Non-Residential Property.

For the purpose of the levy of Special Taxes to satisfy the Debt Service and Facilities Special Tax Requirement, all Parcels of Residential Property shall be assigned to the applicable land use classification set forth in Table 1, based on the Residential Floor Area of the residential structure located on or to be constructed on the Parcel.

If Condominium Units in a Condominium Plan that was recorded as of March 1 preceding the Fiscal Year for which the Special Tax is being levied have not yet been identified as a Parcel on an Assessor's Parcel Map, each Condominium Unit shall be treated as a Parcel and classified independently of the other. Furthermore, if Condominium Plans for less than all of the Condominium Units to be located on such Parcel have not yet been recorded as of March 1 preceding the Fiscal Year for which the Special Tax is being levied, as determined from the Condominium Plans which have been recorded by such date, then a portion of such Parcel shall be classified as Undeveloped Property. The portion to be classified as Undeveloped Property shall be computed by multiplying the acreage for such Parcel by a fraction, the numerator of which is equal to the number of Condominium Units for which a Condominium Plan has not been recorded as of the March 1 preceding the Fiscal Year for which the Special Tax is being levied and the denominator of which is equal to the total number of Condominium Units to be located on such Parcel.

Determinations of the appropriate development category for each Parcel and the residential size classification for each Parcel of Residential Property shall be made by the Administrator and shall be based upon a review of the Land Use Regulations and the building permit(s) applicable to each Parcel. All Parcels of Taxable Property shall be subject to the levy of the Special Tax based on the Maximum Special Tax for Debt Service and Facilities, determined as provided in Section C, and in accordance with the method of apportionment set forth in Section D.

For the purpose of the levy of Special Taxes to satisfy the O & M Special Tax Requirement all Parcels of Residential Property shall be assigned the applicable number of Benefit Units as determined by the Administrator. All Parcels of Taxable Property shall be subject to the levy of the Special Tax based on the Maximum Special

Tax for O & M, determined as provided in Section C, and in accordance with the method of apportionment set forth in Section D.

C. MAXIMUM SPECIAL TAX

1. The Maximum Special Tax for Debt Service and Facilities for a Parcel of Developed Property categorized as Residential Property shall be the greater of: (i) the applicable amount set forth in Table 1 or (ii) the Alternative Special Tax Rate. The Maximum Special Tax for Debt Service and Facilities for a Parcel of Developed Property categorized as Non-Residential Property shall be the amount determined by multiplying the Net Acreage of the Parcel by the amount set forth in Table 1. The Maximum Special Tax for Debt Service and Facilities for a Parcel of Undeveloped Property shall be the amount determined by multiplying the Net Acreage of the Parcel by \$113,249 per Net Acre.

**Table 1
Special Tax Amounts for Developed Property
CFD No. 54**

Land Use Classification	Special Tax for Debt Service and Facilities	Maximum Special Tax for O & M (Fiscal Yr. 2019-20)
Residential Size:		
Less than 1,301 SF	\$2,725 per Parcel	\$427 per Parcel
1,301 SF to 1,500 SF	\$2,850 per Parcel	\$427 per Parcel
1,501 SF to 1,700 SF	\$2,975 per Parcel	\$427 per Parcel
1,701 SF to 1,900 SF	\$3,100 per Parcel	\$427 per Parcel
1,901 SF to 2,100 SF	\$3,225 per Parcel	\$427 per Parcel
Over 2,100 SF	\$3,350 per Parcel	\$427 per Parcel
Non-Residential Property	\$113,249 per Net Acre	\$16,187 per Net Acre

For purposes of determining the applicable Maximum Special Tax for O & M for Fiscal Year 2019-20 for Parcels of Developed Property which are classified as Residential Property, all such Parcels shall be assigned the number of Benefit Unit(s) constructed or to be constructed there on as specified in or shown on the building permit(s) issued or as shown on a tentative subdivision map, parcel map, condominium plan, lot line adjustment or any other similar map, as determined by the Administrator. Once a single family attached or multi-family building or buildings have been built on a Parcel, the Administrator shall determine the actual number of Benefit Units contained within the building or buildings, and the Special Tax levied against the Parcel in the next Fiscal Year shall be calculated by multiplying the actual number of Benefit Units by the Maximum Special Tax per Benefit Unit identified in Table 1. The Maximum Special Tax for O & M for a Parcel of Developed Property categorized as Non-Residential Property shall be the amount determined by multiplying the Net Acreage of the Parcel by \$16,187 per Net Acre.

The Maximum Special Tax for O & M for Fiscal Year 2019-20 for Parcels of Developed Property shall be the amounts set forth in Table 1 (above). The Maximum Special Tax for O & M for Fiscal Year 2019-20 for Parcels of Undeveloped Property shall be the amount determined by multiplying the Net Acreage of the Parcel by \$16,187 per Net Acre.

The Maximum Special Tax for O & M for all Parcels of Developed Property and Undeveloped Property shall be increased annually by the percentage increase in the Consumer Price Index (All Items) for Riverside – San Bernardino - Ontario (2017-18 = 100), or comparable index if such index is no longer in use, since the beginning of the preceding Fiscal Year, or by two percent (2%), whichever is greater, on March 1, 2020 for Fiscal Year 2020-21 and on each subsequent March 1 for the Fiscal Year then commencing.

In accordance with Section 53321(d) of the Government Code of the State of California, the Maximum Special Tax for Debt Service and Facilities for each Parcel "used for private residential purposes," as defined therein, shall be calculated and thereby established by the date on which the Parcel is first subject to the Special Tax. Under no circumstances will the Special Tax levied in any Fiscal Year on any parcel used for private residential purposes be increased as a consequence of delinquency or default in the payment of Special Taxes by the owner or owners of any other Parcel or Parcels by more than ten percent (10%) above the amount of the Special Tax that would have been levied in that Fiscal Year had there never been any such delinquencies or defaults.

D. METHOD OF APPORTIONMENT AND LEVY OF THE SPECIAL TAX

1. Special Tax

Commencing with the Fiscal Year in which the Board of Directors determines that the levy of Special Taxes shall commence, and for each subsequent Fiscal Year, the Board of Directors shall determine the total amount of Special Taxes to be levied and collected in that Fiscal Year in order to satisfy the Debt Service and Facilities Special Tax Requirement and the O & M Special Tax Requirement for such Fiscal Year. The Board of Directors shall levy the Special Tax on all Parcels of Taxable Property in the following priority until it has levied the amount necessary to satisfy both the Debt Service and Facilities Special Tax Requirement and the O & M Special Tax Requirement for the Fiscal Year as follows:

(a) Debt Service and Facilities Special Tax Requirement.

(1) First: The Special Tax shall be levied on all Parcels of Developed Property in equal percentages up to 100% of the applicable Special Tax amount set forth in Table 1; and

(2) Second: If additional funds are needed, the Special Tax shall be levied on all Parcels of Undeveloped Property in equal percentages up to 100% of the

Maximum Special Tax for Debt Service and Facilities for Undeveloped Property;
and

(3) Third: If additional funds are needed, the Special Tax shall be levied on all Parcels of Developed Property classified as Residential Property for which the Maximum Special Tax for Debt Service and Facilities is determined by application of the Alternative Special Tax Rate in equal percentages up to 100% of such Maximum Special Tax.

No Special Tax shall be levied on Parcels of Undeveloped Property in CFD No. 54 to provide any amounts which the Board of Directors determines are necessary to pay the costs of the provision, construction, and acquisition of the Facilities and/or to accumulate funds therefor, as described in Clause (v) of the definition of Debt Service and Facilities Special Tax Requirement.

(b) O & M Special Tax Requirement.

(1) First: The Special Tax shall be levied on all Parcels of Developed Property in equal percentages up to 100% of Maximum Special Tax Rate for O & M; and

(2) Second: If additional funds are needed, the Special Tax shall be levied on all Parcels of Undeveloped Property in equal percentages up to 100% of Maximum Special Tax Rate for O & M.

E. EXEMPTIONS

The Administrator shall classify the following Parcels as Exempt Property Assessor's Parcels (i) Public Property, (ii) Property Owners' Association Property, (iii) Public School Property, (iv) Park and Open Space Property, or (v) Church Property; provided that such classification shall not reduce the Net Acreage of all Taxable Property within CFD No. 54 to less than 7.12 Net Acres.

For purposes of the Debt Service and Facilities Special Tax Requirement, the Administrator shall not classify a Parcel of Public Property, Property Owners' Association Property, Public School Property, Park and Open Space Property, or Church Property as Exempt Property if such classification would reduce the Net Acreage of all Assessor's Parcels of Taxable Property to less than 7.12 Net Acres.

Such Parcels that cannot be classified as Exempt Property because such classification would reduce the Acreage of all Parcels of Taxable Property to less than 7.12 Net Acres will be subject to the Special Tax as either Developed Property or Undeveloped Property as provided in Sections B, C, and D, unless the obligation to pay the Special Tax for any such Parcels is prepaid pursuant to Section H. The Administrator shall classify such Parcels as Exempt Property in chronological order in which property becomes Property that lies within dedications for public streets or publicly owned surface drainage channels, Property Owners' Association Property, Public School Property, Park and Open Space Property, or Church Property.

The Special Tax related to the O & M Special Tax Requirement shall not be levied upon any Parcels of Exempt Property described in items (i) through (v) above.

F. MANNER OF COLLECTION

The Special Taxes shall be collected in the same manner and at the same time as ad valorem property taxes and shall be subject to the same penalties, and the same procedure, sale and lien priority in case of delinquency as is provided for ad valorem taxes; provided, however, that the District may collect Special Taxes at a different time or in a different manner if necessary to meet the financial obligations of CFD No. 54.

G. DURATION OF SPECIAL TAX LEVIES

Pursuant to Section 53321(d) of the Government Code of the State of California, the tax year after which no further Special Tax shall be levied or collected with respect to any Parcel within the Improvement Area to satisfy the Debt Service and Facilities Special Tax Requirement shall be Fiscal Year 2062-63.

All Parcels of Taxable Property shall continue to be subject to the levy and collection of the Special Tax to satisfy the O & M Special Tax Requirement as long as the District operates and maintains Parks and Park Improvements and Landscape within and for the benefit of the residents within CFD No. 54.

H. PREPAYMENT

As used in this Section H, the terms in quotes have the meanings given to them below:

"CFD Facilities Amount" means the amount of \$7,905,000 expressed in 2019 dollars, which shall increase on January 1, 2020 and on each January 1 thereafter, by the percentage increase in Construction Index since the preceding January 1, or such lesser amount (i) as shall be determined by the Administrator to be sufficient to provide for the construction and acquisition of all of the public facilities, or (ii) as shall be determined by the Board of Directors at the time of the adoption of a covenant that CFD No. 54 will not issue any additional bonds. If the amount calculated is less than \$0, then the CFD Facilities Amount shall be zero.

"Exempt Property" means property that is exempt from the levy of the Special Tax pursuant to Section E.

"Future Facilities Costs" means the amount determined by subtracting from the CFD Facilities Amount (i) the amount available in the Construction Fund to pay the costs of the construction and acquisition of public facilities and (ii) the estimated amount of income that will be earned from the investment of such available amount prior to the date upon which the prepayment is to be made.

"Indenture" means the bond indenture, fiscal agent agreement or resolution pursuant to which the bonds of CFD No. 54 that are issued and which establishes a construction or improvement fund into which proceeds of the sale of the bonds are deposited to pay for the construction and acquisition of public facilities for the CFD No. 54.

"Outstanding Bonds" means all bonds of CFD No. 54 that have been issued and which will remain outstanding after the first date following the current Fiscal Year on which interest on or interest on and principal of such bonds will be paid, excluding bonds to be redeemed on a later date with Prepayment Amounts (as defined below) for other Parcels for which the Special Tax Obligation for Debt Service and Facilities has been prepaid.

"Special Tax Obligation for Debt Service and Facilities" means the total amount of Special Taxes which could be levied on a Parcel based on the Maximum Special Tax for Debt Service and Facilities for the Parcel through the date of final maturity of the Outstanding Bonds.

1. Prepayment in Full

The Special Tax Obligation for Debt Service and Facilities may only be prepaid and permanently satisfied for a Parcel of Developed Property, a Parcel of Undeveloped Property for which a building permit has been issued, or a Parcel of Public Property, Church Property, Park and Open Space Property, Property Owners' Association Property, or Public School Property that is not classified as Exempt Property. The Special Tax Obligation for Debt Service and Facilities for a Parcel may be fully prepaid and the obligation of the Parcel to pay the Special Tax permanently satisfied as described herein; provided that a prepayment may be made only if there are no delinquent Special Taxes with respect to the Parcel at the time of prepayment. An owner of a Parcel intending to prepay the Special Tax Obligation for Debt Service and Facilities for the Parcel shall provide the Administrator with written notice of the owner's intent to prepay, and within fifteen (15) days of receipt of such notice, the Administrator shall notify such owner of the amount of a non-refundable deposit to cover the cost to be incurred by the District and CFD No. 54 in determining the Prepayment Amount for the Parcel. Within thirty (30) days of receipt of such non-refundable deposit, the Administrator shall notify the owner of the Prepayment Amount for the Parcel. Prepayment must be made not later than sixty (60) days prior to any redemption date for any bonds which will be redeemed with the Prepayment Amount.

The Prepayment Amount shall be calculated as follows (except as provided above, capitalized terms have the meanings given below):

Bond Redemption Amount
plus Redemption Premium
plus Prepaid Facilities Amount
plus Defeasance Amount
plus Administration Costs
less Reserve Fund Credit
equals Prepayment Amount

The Prepayment Amount shall be calculated, as of the proposed prepayment date, as follows:

Paragraph No.:

1. For a Parcel of Developed Property, determine the Maximum Special Tax for Debt Service and Facilities for the Parcel. For a Parcel of Undeveloped Property, determine the Maximum Special Tax for Debt Service and Facilities for the Parcel as though it was Developed Property, based on the building permit(s) issued for the Parcel. For a Parcel of Public Property, Church Property, Park and Open Space Property, Property Owners' Association Property, or Public School Property which is not Exempt Property, determine the Maximum Special Tax for Debt Service and Facilities for the Parcel.
2. Divide the Maximum Special Tax for Debt Service and Facilities for the Parcel, determined pursuant to paragraph 1, by the total estimated amount of the Maximum Special Taxes for Debt Service and Facilities that could be levied on all Parcels of Developed Property, including the prepaying Parcel and excluding any Parcels which have previously prepaid the Special Tax Obligation for Debt Service and Facilities.
3. Multiply the aggregate principal amount of the Outstanding Bonds by the percentage derived pursuant to paragraph 2 to determine the principal amount of the Outstanding Bonds to be redeemed with the Prepayment Amount (the "*Bond Redemption Amount*").
4. Multiply the Bond Redemption Amount by the applicable redemption premium, if any, on the Outstanding Bonds to be redeemed (the "*Redemption Premium*").
5. Determine the Future Facilities Costs.
6. Multiply the Future Facilities Costs by the percentage derived pursuant to paragraph 2 to determine the amount of the Future Facilities Costs to be prepaid (the "*Prepaid Facilities Amount*").
7. Determine the amount needed to pay interest on the Bond Redemption Amount from the first bond interest payment date following the current Fiscal Year until the earliest redemption date for the Outstanding Bonds.

8. Determine the unpaid amount of the Special Taxes levied on the Parcel in the current Fiscal Year.

9. Estimate the earnings on the investment of the Prepayment Amount, less the Prepaid Facilities Amount and the Administration Costs (as defined below), from the date of prepayment until the redemption date for the Outstanding Bonds which will be redeemed with the Prepayment Amount (the "*Net Prepayment Amount*").

10. Add the amounts derived pursuant to paragraphs 7 and 8 and subtract the amount derived pursuant to paragraph 9 to derive the Defeasance Amount (the "*Defeasance Amount*").

11. Determine the amount which will be needed and will not be paid from a non-refundable deposit by the owner of the prepaying Parcel for paying the costs of (i) determining the Prepayment Amount, (ii) investing the Net Prepayment Amount, (iii) redeeming the Outstanding Bonds, and (iv) recording any notices to evidence the prepayment and satisfaction of the Special Tax Obligation for Debt Service and Facilities for the Parcel (the "*Administration Costs*").

12. Determine the amount of the reserve fund credit (the "*Reserve Fund Credit*") which shall be the lesser of: (a) the amount, if any, by which the "Reserve Requirement" (as defined in the Indenture) will be reduced as a result of the redemption of Outstanding Bonds with the Prepayment Amount (the "Reduced Reserve Requirement") or (b) the amount (which shall not be less than zero) derived by subtracting the Reduced Reserve Requirement from the portion of the amount which will be on deposit in the Reserve Fund for the Outstanding Bonds on the prepayment date, as determined by the Administrator.

13. The Prepayment Amount is equal to the sum of the Bond Redemption Amount, the Redemption Premium, the Prepaid Facilities Amount, the Defeasance Amount and the Administration Costs less the Reserve Fund Credit.

14. Upon receipt of the Prepayment Amount, the funds representing the Bond Redemption Amount, the Redemption Premium, the Defeasance Amount and the Reserve Fund Credit shall be deposited into the appropriate fund established under the Indenture for the redemption of Outstanding Bonds and shall be used, along with the amount representing the Reserve Fund Credit which shall be transferred from the Reserve Fund to the appropriate account under the Indenture, to redeem an aggregate principal amount of Outstanding Bonds which is equally divisible by \$5,000 and, to the extent of any portion of the sum thereof which is not so utilized, to pay interest on and principal of Outstanding Bonds. The Prepaid Facilities Amount shall be deposited into the Construction Fund. The Administration Costs shall be retained by the District and used to pay or reimburse such costs.

Upon receipt of the Prepayment Amount, the Board of Directors shall cause the appropriate notice to be recorded in compliance with the Act to acknowledge that the Special Tax Obligation for Debt Service and Facilities for the prepaying Parcel has been prepaid and satisfied and to cancel the Special Tax lien securing payment of Special Taxes for the Debt Service and Facilities Special Tax Requirement for such prepaying Parcel.

Notwithstanding the foregoing, no Prepayment shall be allowed for any Parcel unless the total amount of the Maximum Special Taxes for Debt Service and Facilities that may be levied on Taxable Property (excluding Parcels of Public Property, Property Owners' Association Property, Public School Property, and Church Property that are Taxable Property), both before and after expected buildout of the property, as then approved by the City or the County, after the proposed Prepayment would be at least equal to the sum of (i) an amount equal to 110 percent of maximum annual debt service on all Outstanding Bonds, as determined by the Administrator, a financial advisor or a special tax consultant, at the option of the Administrator, plus (ii) Administrative Expenses in the amount of \$40,000.

2. Partial Prepayment

An owner of not less than fifteen (15) Parcels of Developed Property classified as Residential Property in CFD No. 54 may partially prepay the Special Tax Obligation for Debt Service and Facilities for all such Parcels. The owner of a Parcel of Undeveloped Property (i) for which a subdivision map has been recorded, (ii) that will be classified as Residential Property and (iii) for which a building permit has been issued, may partially prepay the Special Tax Obligation for Debt Service and Facilities for not less than fifteen (15) of such Parcels. The amount of the Partial Prepayment shall be calculated pursuant to Section H.1 as modified by the following formula:

$$PP = ((P_E - A) \times F) + A$$

These terms have the following meaning:

PP = the Partial Prepayment

P_E = the Prepayment Amount calculated according to Section H.1

F = the percentage by which the owner of the Parcels is partially prepaying the Special Tax Obligation for Debt Service and Facilities.

A = the Administrative Costs calculated pursuant to Section H.1

The owner of such Parcels who desires to partially prepay the Special Tax Obligation for Debt Service and Facilities shall notify the Administrator of (i) the owner's intent to partially prepay the Special Tax Obligation for Debt Service and Facilities and, (ii) the percentage by which the Special Tax Obligation for Debt Service and Facilities for all such Parcels will be prepaid, and within fifteen (15) days of receipt of such notice, the Administrator shall notify such owner of the amount of a non-refundable deposit determined to cover the costs to be incurred by the District and CFD No. 54 in determining the amount of the Partial Prepayment for such Parcels. Within thirty (30)

days of receipt of such non-refundable deposit, the Administrator shall notify the owner of the Partial Prepayment amount applicable to each of such Parcels. A Partial Prepayment must be paid not later than sixty (60) days prior to the redemption date for any Outstanding Bonds which will be redeemed with the Partial Prepayment.

Upon receipt of a Partial Prepayment of the Special Tax Obligation for Debt Service and Facilities for any such Parcels, the Administrator shall (i) allocate the amount of the Partial Prepayment pursuant to Paragraph 14 of Section H.1 and (ii) note on the records of CFD No. 54 that there has been a Partial Prepayment of the Special Tax Obligation for Debt Service and Facilities for such Parcels and that the amount of Special Taxes which shall continue to be levied on such Parcels pursuant to Section D shall be reduced based on the percentage (1.00 - F) of the remaining Special Tax Obligation for Debt Service and Facilities for such Parcels.

Notwithstanding the foregoing, no Partial Prepayment shall be allowed for any Parcel unless the total amount of the Maximum Special Taxes for Debt Service and Facilities that may be levied on Taxable Property (excluding Parcels of Public Property, Property Owners' Association Property, Public School Property, and Church Property that are Taxable Property), both before and after expected buildout of the property in CFD No. 54, as then approved by the City or the County, after the proposed Partial Prepayment would be at least equal to the sum of (i) an amount equal to 110 percent of maximum annual debt service on all Outstanding Bonds, as determined by the Administrator, a financial advisor or a special tax consultant, at the option of the Administrator, plus (ii) Administrative Expenses in the amount of \$40,000.

I. CHANGES TO TENTATIVE TRACTS

The Alternative Special Tax Rate has been established based on the land use configurations shown on the subdivision map for Tentative Tract No. 35751. In the event any portion of Tract No. 35751 is modified by the City or the County, the Alternative Special Tax Rate for all Parcels of Developed Property in the modified portion of such tract, which are classified as Residential Property, shall be determined by (i) multiplying the total square footage of such modified Parcels by \$2.5998 per square foot and (ii) by dividing the product thus obtained by the number of lots in such modified Parcels.
