

## Press Release

# JCSD's Annual Water Quality Report Demonstrates Commitment to High-Quality Water Service

A copy of the 2022 Annual Water Quality Report was mailed to all JCSD customers.

**Jurupa Valley, CA (July 14, 2023)** – Jurupa Community Services District (JCSD) is pleased to announce the release of its 2022 Annual Water Quality Report (Report), showcasing JCSD's dedication to delivering safe and high-quality water service to its customers. The Report, also known as the consumer confidence report, underscores JCSD's commitment to transparency and customer satisfaction.

The Report showcases how JCSD's treated water meets or exceeds water quality standards set by the State Water Resources Control Board and the United States Environmental Protection Agency. JCSD's water goes through rigorous testing and monitoring with over 35,000 water quality tests conducted annually.

Graffiti Abatement

JCSD Board Director Kenneth McLaughlin emphasized JCSD's dedication to providing exceptional water service, stating, "The release of the 2022 Annual Water Quality Report reflects JCSD's unwavering commitment to the safety and satisfaction of our customers. This report is a testament to JCSD's ongoing efforts to deliver safe and clean drinking water to the communities we serve."

Customers received a mailed copy of the Report on June 23, 2023. They are encouraged to review it for comprehensive insights into JCSD's water quality data and updates on ongoing projects in Eastvale and Jurupa Valley.

The Annual Water Quality Report is available on-line at [www.JCSD.us/WaterQuality](http://www.JCSD.us/WaterQuality).

*Founded in 1956, the Jurupa Community Services District is a public governmental agency that provides services and programs to the cities of Jurupa Valley and Eastvale. It is governed by a Board of Directors comprised of five elected representatives from both cities. Serving over 130,000 people in a 40-square-mile area, JCSD provides a variety of community services and programs, including water, sewer, streetlights, frontage landscape maintenance, graffiti abatement, and parks and recreation services.*
