**JURUPA COMMUNITY SERVICES DISTRICT
SUPPORTS RED CROSS MONTH BY HOSTING BLOOD DRIVE**

JURUPA VALLEY, CA (March 21, 2018) – The American Red Cross is partnering with Jurupa Community Services District (JCSD) to host a blood drive on Monday, March 26, 2018. The blood drive will take place in the Pinnacle Room, at the Eastvale Community Center, located at 13820 Schleisman Rd., Eastvale, CA 92880 from 2:00 p.m. to 8:00 p.m.

JCSD invites the community to join this lifesaving mission by giving blood in support of Red Cross Month. Heroes of all blood types are needed to provide help for patients across the country and to ensure a reliable supply for future needs. “JCSD is proud to work with the Red Cross on this vital effort to save lives” stated General Manager Todd Corbin, and “each one of us may need the services of the Red Cross and donating blood is one way to help the community be prepared.” This is the third time JCSD has partnered with the American Red Cross on this event.

Residents are encouraged to pre-register and reserve a donation time but anyone wishing to donate is welcome as the schedule permits. Proper identification is required prior to donating blood.

For more information about the American Red Cross and to pre-register please visit www.redcrossblood.org. More information about JCSD is available on our website at www.jcsd.us or by calling (951) 685-7434.
